

## FIRST PERSON:

Asking an Irish person to write a ‘few’ words is, putting it mildly, almost impossible! But here goes. I was born and raised in Dublin, Ireland. Having dabbled in other things over the years (I won’t bore you) I always had lots of words constantly floating around in my mind, but not getting around to putting them, along with my imagination, to literary use. That is, until 2011, when I finally picked up that pen and notebook, and began to string them into sentences, then paragraphs, then pages, eventually joining them together to make up a novel (The Sixth Amulet: Beyond the Darkness). However, my imagination had other plans; It didn’t want to stop. And so, one novel turned into The Sixth Amulet series.
